# ULTRA CLEAN & SMOOTH

- ★ We have selected our distillery with care and thought. It has over 59 years of tradition in making finest liqueurs and vodkas.
- ★ Some of the brands are based on pure honey from which a special type of honey wine is made called 'Honey meads'.
- ★ This type of drink was consumed in Middle Ages by Nobel society and Polish kings. The first vodka distillery was found in city of Sandomierz over 660 years ago. That's why we say the crown belongs to Poland which paves the way for others to follow.

# VODKA EXPERT REVIEW

## Super Premium Gold Polish Vodka 40%

Pure wheat vodka produced by Piasecki Distillery for Polish Spirits Ltd in London.

Aromatic, grain flavour, notes of roasted grain, vanilla, meadows, wild flowers, slightly parsley and baked bread crust.

In taste tart - grapes, mineral and slightly peppery, and black bread.

Finish warming, with character - cardamom and allspice, delicate spices, especially nutmeg, creaminess and grapefruit.

To sum up - great tasting vodka, well-built.

Perfect for bloody Mary or for citrus cocktails or elderberry juice, also, with ginger.

Great for oily meats, but also light fish like tuna or salmon also works well with olives in Mediterranean cuisine.

Recommended cocktail: 40 cl Gold vodka, 150 cl bermé wermuth, a few drops raspberry or cranberry syrup, 3-4 capers.

An exceptional bottle is noteworthy. Golden eagle, on the sides of the golden wings of hussars, white and red flag, emphasizing terroir vodka. The producer has prepared for connoisseurs also special editions.

The Gold Exclusive Edition of the range has been covered with 24-carat gold in its entirety, and the picture of the wings of the Polish hussars is opaque in light.

The black bottle with gilding looks is equally elegant. The company Dekorglass, is responsible for the unusual artistic setting of the glass decoration, it specialises among others for the needs of the perfume and cosmetics sector like Giorgio Armani. Dekorglass creates special Limited Editions for top international brands like Johnnie Walker, Belvedere, Martell.
